DO NOT LOSE YOUR LESSON TIME!

We cannot hold time spots for students who leave the program for the Summer time. Giving up your spot in AMPD, or giving up your private lesson time, may mean that you will not have a spot on the schedule for the Fall! Here are two solutions to guarantee your place in the program:

AMP'D members: Take a Summer Specialty class. You will increase your skills for AMP'D and will not have the pressure of performing at Summer Jam.
Private students: Schedule around Summer activities by doing one-hour lessons. Call the office and pre-schedule six one-hour lessons around your vacation times.
These are two easy ways to guarantee your place in the program for the Fall!

SIGN UP NOW FOR SUMMER GROUPS!

Do not miss out on the incredible opportunity to skyrocket your musical skills in one of our exciting Summer group programs. These fun filled classes are only offered from June through August and have been described to us by students and parents as the highlight of their summer events.

One of our most popular Summer Programs is the **Summer Jam class**. Summer Jam is a less formal version of our incredibly successful AMP'D Rock Band program and offers students the chance to play in real bands with guitars, drums, bass, keyboards, and vocals. All Summer Jam students will perform at Summer Jam Concert on Saturday August,13th at the Draper City Amphitheater.

Summer is also a great time to focus on areas that you may be neglecting during the course of a busy school year. On Track Music and the Groove Dr's are both offering specialty classes that focus on areas of technical importance for guitar and drum students. These classes are designed to dramatically increase the playing abilities of our students. The specialty classes are great for existing AMP'D members who have to break from their band for the Summer and for aspiring AMP'D members who want to take their playing to a whole new level.

"Crazy 80's" Student Fest Lives Up to It's Name

"CRAZY" is the perfect word to describe the perfect Student Fest. What an amazing weekend of explosive Rock Shows, awesome Jam Sessions, killer prizes, and FUN, FUN, FUN! The entire weekend was hosted by the incredibly gracious staff and volunteers of Risen Life Church, who treated our guests with the highest degree of care and respect. Once again the combined efforts of our incredible students, staff, sponsors, production personnel, volunteers from On Track, Groove Dr's, and Risen Life, exceeded all expectations and made this event an entertainment extravaganza destined to to be remembered as one of the finest in the annals of Student Fest history.

Student Fest 2011 was attended by roughly 2500 fans, 230 performers, and nearly 100 volunteers, sponsors and staff members. The Fest included Friday and Saturday evening Rock Shows and six individual Saturday daytime Jam Sessions that gave our students the chance to dazzle the public with their incredible musical skills. "Crazy 80's" was our official Student Fest theme, so each daytime Jam Session was jolted to life with an electrifying performance of an energetic 80's cover tune by the amazing On Track/Groove Dr's Staff Band: "Flux Capacitor". "Flux" would immediately be followed by an astounding array of solo and group performers who proudly flew the flag of the On Track/Groove Dr's team, each one of them representing us in a way that made us proud!

Highlights of this years show included: The addition of a "Techno Percussion" group, which was the brainchild of the entire Groove Dr's staff; An out-of-this-world drum solo by our very own Sneez: A visit from someone who looked an awful lot like Slash of Guns 'N Roses (with a strangely familiar grey goatee); and an incredible farewell performance and grand finale by our veteran All Star band "Quarantine".

Friday and Saturday evenings fans were treated to the life lifting sounds of the incredible Risen Life band along with the eleven amazing bands of our famous AMP'D program. Kudos go out to all of the members of Silk 'n Suede, Pure Illusion, Dearly Departed, Quarantine, Insight, Idle Americans, Purple Sky, Zero Gravity, Heliocentric, Subject to Change, and Dominant Species...

Once again, you've shown exactly why On Track Music and the Groove Dr's are Utah's premier Guitar and Drum schools!

THANK YOU! THANK YOU! THANK YOU!

Risen Life Church and all of the amazing volunteers who made Student Fest 2011 a huge success!!!

Thank you Quarantine

Matt Morrison, Nate Harrison, Elizabeth Relleve, Yusef Farah, and Daniel Graves. For the past five years you have proven yourselves to be musicians of the finest caliber and worthy of being our first ever AMP'D All Star band. You have paved the way for future musicians and established a standard of excellence that all AMP'D All Stars will be measured by.

We wish you all the greatest success!

Scott, Sneez, Sherrie, Hazel
