

## On Track Music Instruction

### Tuition rates effective Sept. 1st, 2013

**Note:** In an effort to keep the rising cost of processing payments and lesson tuition to a minimum, On Track Music is now offering a discount on tuition rates for students who sign up to have their lesson tuition automatically drafted from their bank account the first week of every month. This discount does NOT apply to payments made by credit cards. We highly recommend that all students sign up for this convenient new program in order to make paying tuition easier and more cost effective.
